Anas Amin

Consultant at FAIR Consulting Group

Pakistan

Summary

Working as a Software Engineer for the past 5 years mostly on web
applications and covering the entire stack. My experience spans
multiple web development platforms and that has honed my self-
learning skills. I have recently ventured into serverless architecture
and love the flexibility and simplicity.

Experience

FAIR Consulting Group
Consultant
July 2021 - Present (4 months)
Karāchi, Sindh, Pakistan

FAIR Consulting Group is a Management and IT consulting firm that focuses
on Customer Experience (CX). We live and breathe one core value, to always
be 'FAIR - to our Employees, Customers, Partners and the Community'.

We offer end to end engagement to our customers, with an uncompromising
focus on quality to ensure that we deliver the best possible CX outcomes.

By focusing on solutions that realise immediate business value as a priority,
we are able to turn CX strategies into defined processes supported by best
practice methodologies and relevant systems.
